

Poplar News (18.10.19)

Dear Parents and Carers,

Thank you to all the parents that attended parent consultations this week. It was a pleasure to see so many of you and to share the progress the children have made during this half-term.

In English this week, we have explored our recount text. We have thought a lot about the use of time connectives, first person and past tense. Then we innovated the text by changing the time of our event and the events that happened. We based our recount on a day in the Stone Age. The children have worked really hard to remember everything we have covered and used their reasoning skills with this writing.

In Maths, we have continued with looking at addition, we have begun using column method. The children have really enjoyed it and we will be continuing after half-term. If any of the children would like to do any additional at home, we are adding two 3-digit numbers.

In Religious Education this week, we looked the Sikh Holy Book. We looked at who contributed to the book and what some of the prayers were. Our topic work had us exploring the daily life of a Stone Age person, looking at how they made clothes, hunted animals, made tools and how they made fire.

We have had a few children bring in their books from home to share with the class. It is lovely to see some of the children really getting excited about a book. This will continue after half term.

Please be aware that this is the last hard copy of the newsletter that you will receive as all future newsletters will be accessed through ParentHub.

We hope you have a great relaxing half term!

Miss Scott, Mrs Batterham and all in Poplar Class.

Key Dates and reminders:

- Last day of 1st half term - 18th October
- First day back to school for 2nd half of the Autumn term- 28th October
