

This term, Watlington Primary have attended the Cross Country, Swimming Gala and Football Tournament cluster competitions. In all three events, the children chosen to represent the school have shown qualities of determination, perseverance, commitment and sportsmanship. 16 runners and 3 swimmers have got through to the West Norfolk finals, which they will attend in January.

The footballers were undefeated in all 5 of their matches and are currently top of the league! Well done to all of our competitors.
